

I urge FCC Chairman Michael Powell to delay the vote on media consolidation until a democratic debate about the consequences is allowed. The American public has a right to hear how such a consolidation of the media will effect us and what will be allowed to be reported to the public by the media. There will no longer be diverse points of view from diverse media sources, in order to preserve democratic decision making. I want rules in place that serve the public, rather than private, interest. I oppose taking a vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules.

Thank you.
